I do not have the letters to the states – but two suggestions: we can check: 1) the hard copy Chron file (of WCED correspondence) [file cabinet below printer in 4140] and 2) G: drive

Diana,

I'm trying to track down how HQs provided notice to the states in the Walmart matter so that Whole Foods is consistent, etc. It looks like letters were sent to the states (see Ann's email exchange with KC below) – do you have a copy of the Walmart letter to the states? If not, I'll check with KC to see if he has it.

Thanks,
Laura

Here you go. Presumably Diana should have this letter in her files from KC or on the thumb drive.
